ONTARIO UNDERWATER EXPLORERS: **WE TAKE FUN SERIOUSLY!**

The Ontario Underwater Explorers scuba club has been run by volunteers since 1965. We've been hosting an annual Scuba Swap and Sale since 1992.

During the year we plan an extensive dive schedule — favourite dive sites in Ontario, Quebec, U.S., as well as lesser known gems. Diving together, we rely on each other and learn from our buddies — we find it the best way to gain confidence in diving while having a lot of fun!

We also do a lot of impromptu dives throughout the year. In addition, we have the Once-a-Month Club — a special club-within-the-club whose members make at least one open water dive every month throughout the year (pool dives don't count)! It's hard to find decent open water locations around Toronto especially during the winter months of November to March, but we've never failed. **The record so far is 270 months!**

Thursday nights are pool nights - in the 16ft. deep end of the Etobicoke Olympium pool. For the ones interested in training, the club can arrange for various courses - from basic open water certification right through to technical diving.

OUE membership has its privileges! In addition to weekly pool sessions and exclusive diving trips, your membership entitles you to discounts at select local dive stores. Club membership also includes membership in Ontario Underwater Council (www.underwatercouncil.com).

Drop by the pool on a Thursday night!
